

Materials List for Collage and Writing For Personal Insight with Pata Suyemoto

The materials list is:

- journal of some sort
- writing implement
- scissors
- glue stick
- at least 3 magazines for cutting up to share
- folder/box to store cut out images

(Eventually, they will need to bring poster board, large paper, or a box to collage. However, I will talk about this in class and bring paper for everyone the first night.)
